

Plastic Spiral Binding Guidelines and Specifications

Plastic Spiral Binding

Twin Loop can spiral bind documents from smaller than A6 to A3 long edge and A2 short edge (420mm) for pages up to 35mm.

When setting out your pages, it is good practice to keep all text or images at least 10mm away from the binding edge to not cut into when the holes are punched into the pages.

Tent (Desk) Calendar

When setting out your pages, it is good practice to keep all text or images at least 10mm away from the binding edge to not cut into when the holes are punched into the pages.

Available from as small as A6 to as large as A3 long edge
